WORDS *to tell a story . . .*

It is hard to find any words that could completely express all the wonderful times that we have had this year. The annual staff has tried to give you something in the way of memories. This year's annual will serve as a permanent record of all the good times that we have had. In addition, it will remind all who turn its pages in the years to come of the class of 1958.

To all the merchants we would like to say "Thanks". Without their co-operation the publication of this annual would not have been possible. Our association with them has indeed been a pleasure.

To our beloved teachers we say, "Thanks for your patience and gracious attitude toward making our WAG a success."

We dedicate . . .

To one who has rendered many years of hard work and unlimited service to the support of athletics, we pay a tribute which is so richly deserved. His high ideals, character, captivating spirit, and inspiration are implanted in the minds of the ones with whom he has worked. To one who is loved and respected by the entire student body, we The WAG Staff of 1958, dedicate this annual to a teacher, coach, friend and companion, Mr. Pete Gillespie.

IN THE CLASSROOM

It was in the classroom, as we studied together, that we came to know teachers and students who later became our friends. From the classroom we obtained our "book sense" and many experiences worth remembering.

Each year the Student Council plans Career Day so that students may see what fields are open to them.

WAG STAFF OF 1958

Editor Mary Jo Boswell proof reads the final layout pages before submitting them to the studio.

Sports Editor Joyce Currin, Art Editor Linda Linens, and Activities Manager Bill Stokes discuss new ways to lay out the sports and activities sections.

Advertising Manager Jeanne Sims and her assistant Linda Cody check the financial status of the ad section with Business Manager Sylvia Andrew and her assistant Ronnie Petree.

THE WAG

This year, 1958, marks the tenth anniversary of the first publication of The WAG. The first WAG was published by the Senior Class of 1948.

The 1958 staff was nominated by the presidents of the Student Cooperative Association, the National Honor Society, and the Senior Class. These nominees for the minor positions on the staff were then voted on by the Senior Class. The remainder of the staff was composed of the people who had held minor positions last year.

Our annual staff has worked hard to make this annual one that will be worthy of THE BEST YEAR OF OUR LIVES.

The four typists Carolyn Burch, Judy Walker, Julie Moser, and Buddy Massey spend many hours typing and proofreading copy.

Mrs. M. D. Smith, Advisor, and Associate Editor Barbara Thompson search other annuals for new ideas.

Circulation Manager Douglas Donley and his assistant Diana Foster and Photographer David Cody discuss better ways to sell more annuals.

CHRISTMAS EDITION OF THE 1957 CRACKER

Proofreading and giving assignments to staff members are the responsibilities of Editor Jimmy Euliss and his assistant Jean McDonald, and the advisors Mrs. W. L. DeWeese and Miss Amy Buckner.

THE CRACKER STAFF

We are very proud of our Cracker this year. The Cracker was printed every month, free of charge. Recent activities, sports events, and awards were all a feature part of The Cracker. As we reread our old issues of The Cracker, we are reminded of the best year of our lives.

Members of The Cracker staff are: Judy Bason, Jean McDonald, Jimmy Euliss, Sylvia Smithey, Mary Lou Allison, Evelyn Semiklose, Tyson Williams, Susan Todd, Judy Kay Owens, Joyce Holt, Linda Lemons, Larry Gibson, Hugh McAdams, Bennie Thompson, and Billy Moore.

The Glee Club of fifty voices provides musical programs for the school at various times during the year. Much time and effort are concentrated on the memorable White Christmas concert, and performances at graduation exercises.

Betty Pugh accompanies the Glee Club on all occasions during the year.

The Glee Club is under the direction of Mrs. Beth Oakes.

DRAMATIC CLUB

Members of the Dramatic Club are not limited to acting experience only. They study the history and stages of drama, as well as phases of dramatic production such as lighting, scenery, and make-up.

Mr. James H. Ingalls is director of the Dramatic Club.

Members of the Dramatic Club get into shape by taking breathing exercises.

The F.H.A. has worked hard this year. The goals have been to furnish a scholarship for some deserving Senior girl and to promote a growing appreciation of the joys and satisfactions of homemaking. Miss Ella Currin is the faculty advisor.

Arts and crafts is a hobby club. Its purpose is to make things that will add beauty. In this activity one gets a chance to work and get instruction while constructing subjects of beauty.

Also, one learns to make objects as attractive as possible, while trying to make them as inexpensive as possible. Arts and Crafts stresses the beautifying of Easter novelties and Christmas decorations. The advisors are: Miss Ella Currin and Miss Gena Church.

DRIVER TRAINING

All sophomores who do not already have their driver's license are required to take Driver Training. These students meet once a week to study the driver's manual together. Mrs. M.D. Smith is advisor.

BOYS' GAMES

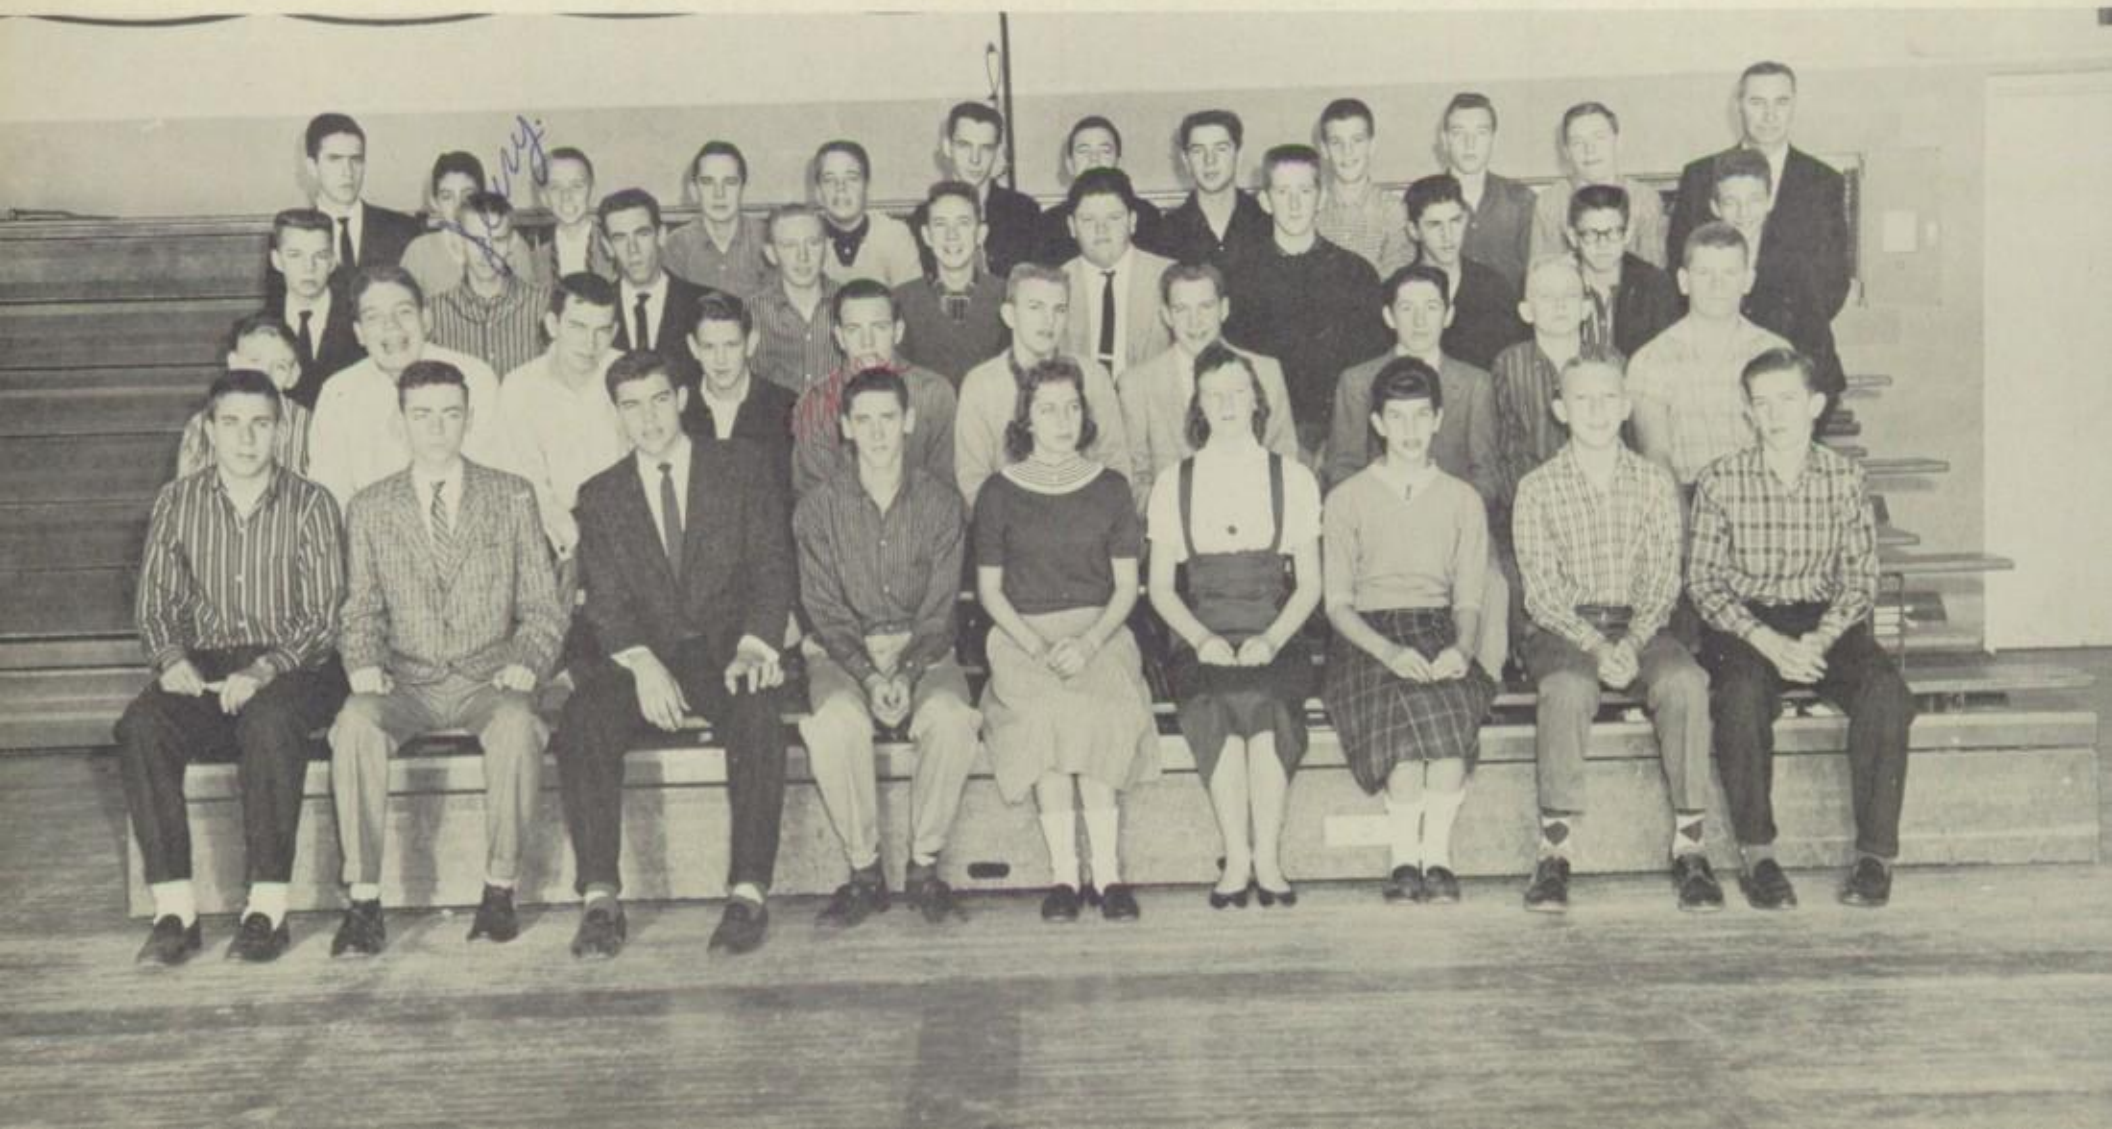
The purpose of this activity is to encourage participation in seasonal sports such as softball, touch football, and basketball, for those boys not taking physical education.

MOTION PICTURE

Under the supervision of Mr. Jack Russell, the Motion Picture Projection Club strives to provide for the school and teachers well-trained operators of motion picture projectors and equipment.

SCIENCE CLUB

The Science Club meets once a week under the sponsorship of Mr. R.L. Hill. The purpose of the Science Club is to help the members learn something about a subject they are particularly interested in.



JUNIOR ENGINEERING

The purpose of the Junior Engineering Club is to help straighten out the problems which come to the minds of the boys who participate in this group activity. There are various types of engineering groups in this club, aiming to help each one in his own field. Experts on each of these fields are invited to help further the ideas which are most interesting in this course.

MONOGRAM CLUB

The purpose of the Monogram Club is to give a scholarship to some deserving Monogram Club member.

To be a member one must earn a letter in any sport. Cheerleaders and managers also receive a letter.

The activities of the Club include: selling programs at football games, and taking care of the concession stand at basketball games.

ADVERTISEMENTS

Johnny,
I have enjoyed being in classes with you all these years. I first knew you were in the sixth grade and you have been a good friend ever since. The last two years we have been in all the same classes. We made a good triumvirate, you, Wayne, and I. I hope we will be in all the same classes next year and our years.
There is never a chance that you will wear out your ability though you have quite a lot in storage. Don't get out of date. Lots of luck always

Johnny,

I have enjoyed going to school with you this year. Remember when we used to be "sweethearts" and when we took dancing and went to all those formals. Those were the good ole days. You are a real sweet and smart person. I know you will always succeed. Lots of luck.

Love,
Carolyn

Dear Johnny,

We have been friends for a long time. The friendship has been very pleasant for me and I hope it has for you. You are one of my best friends. You deserve the best of everything in school, work, and life and I'm sure that you will get it. I have really enjoyed being a classmate of yours and I'm looking forward to the next two years of school. They will be good I'm sure. You have a wonderful personality and are liked by everyone. Lots of luck to a good all around boy.

Johnny,
This is the first year that I have had a chance to really know you. I have really enjoyed being in one of your classes this year. You are a swell guy and I wish you all the luck in the world. You have been a swell pal this year. Especially during the picture and I'm sure this year will be a swell year. I hope to see you next year. Lots of luck and keep your head up. May the Good Lord bless and keep you. I wish I could just stay a little longer but I guess I'll be seeing you next year. Wow! a Junior will be a little junior sophomore. Lots of luck I'll be seeing you next year.
